Aluminum Cantilever Boat Lifts

PL1200W Cantilever Boat Lift

Applications

- ▶ Cantilever Lifts are ideal for safely securing your boat, PWC or sailboat with retractable keel when it is not in use.
- ▶ PL1200 and PL1200W lifts are designed for large PWCs and small fishing boats.
- ▶ These lifts can be operated by a 12V battery powered Friction Drive. They are the right choice for use in areas with unreliable or no electric service at the dock. A 120V AC Friction Drive is also available.
- ▶ Cantilever Lifts are easily adapted to various water depths with the addition of 3 ft., 4 ft. or 5 ft. adjustable deep water Extension Legs.
- ▶ Many options allow you to customize your lift to best protect your boat and provide you with conveniences you want.

Specifications

Model	PL1200	PL1200W
Weight Capacity	1200 lbs.	1200 lbs.
Maximum Beam	70 in.	87 in.
Lifting Height ‡	46 in.	46 in.
Minimum Platform Height ‡	6.5 in.	6.5 in.
Bed Length	96 in.	96 in.
Overall Width (includes feet)	80 in.	98 in.
Adjustable Legs	4 @ 18 in.	4 @ 18 in.
Weight (approximate)	257 lbs.	316 lbs.

RGC Advantage

RGC Aluminum Cantilever Boat Lifts combine the physical strength of marine grade aluminum with the engineering expertise of the most experienced boat lift manufacturer in the industry.

RGC boat lifts protect your watercraft from damaging wave action, floating debris, weeds, algae and zebra mussels.

Customize your Cantilever lift with an AC or DC Friction Drive, Extension Legs and other quality Cantilever Lift accessories.

Features & Benefits

- ▶ Durable marine grade, all aluminum frame construction provides superior strength with minimal maintenance.
- ▶ Corrosion resistant stainless steel cables and hardware increase component life.
- ▶ Low maintenance polymer sheaves prolong cable life.
- ▶ Heavy duty polymer pivot bearings provide smooth lifting operation.
- ▶ Foot plates pivot to adjust to lake beds with a slope for secure positioning.
- ▶ Assembly and installation are easy with basic hand tools.
- ▶ Carpeted stationary wood bunks are standard.
- ▶ A 30 in. handwheel is standard.
- ▶ Hand winch and handwheel can be mounted on either side for added versatility.
- ▶ Optional AC and DC Friction Drives put power at your fingertips.
- ▶ Many accessories are available to customize your lift.
- ▶ 15 year limited warranty on aluminum materials and workmanship for fresh water applications.

Cantilever Lift Accessories

- ▶ Friction Drives - AC & DC
- ▶ Winch Extensions
- ▶ Extension Legs - 3 ft., 4 ft. or 5 ft. lengths (sold in pairs)
